JOINT SPORTS CENTRE

Partially re-open of Joint Sports Centre on 4 September 2023

We would like to provide an update on the improvement works taking place at the Joint Sports Centre (JSC). Due to the rainy weather over the past few months, the project has encountered delays. The works to outdoor areas, which include repaving the running track and replacing the multi-purpose court floor, will not be completed as originally planned before the start of the new semester in 2023-24.

Following a prudent assessment with the project consultant, the JSC facilities will be partially open to support teaching and learning activities starting from 4 September 2023 (Monday). The full re-opening of all JSC facilities is expected to take place around mid-October 2023, if weather permitting. We will closely monitor the progress of the site works and announce the re-opening date of the JSC facilities in due course.

We sincerely apologise for any inconvenience that may be caused. Your understanding and patience during this time of improvement works are greatly appreciated.
